## EXPERIENCE

---

**Hotel Vittoria, Toscolano Maderno (Italy)** — *Web Developer*

*February 2020*

<https://hotelvittoria.netlify.com/>

- I created this web site for a business in my home town village.
- The page is made with Gatsby.js and has a room finder.

**Bestfivebcn Admin Dashboard** — *Full Stack Developer*

December 2019

<https://bestfivebcn.netlify.com/>

- This application is made with React, it interacts with firebase firestore to save data and to be able to manipulate them.

### **“Bestfivebcn” Mini live project (Barcelona) — Co-creator and Web developer**

September 2019

[www.bestfivebcn.com](http://www.bestfivebcn.com)

- Web application, service for tourists and people located in Barcelona.
- Made with PWA technology, I integrated Google maps API and designed with HTML, SCSS, JS.

### **Agriturismo San Lorenzo di Persegno, Toscolano Maderno (Italy) — Web developer**

September 2018

[www.sanlorenzodipersegno.it](http://www.sanlorenzodipersegno.it)

- I created this web site for a business near my hometown village in Italy.
- The page is made with plain HTML, CSS and JavaScript.

### **Professional Online Poker Player**

2013 - 2018

- I worked on-line in Malta, Mexico and Australia.
- I founded a poker school and manage a team of student up to 12 people.
- I improved my skills in risk management.
- I developed a mental strength when working under pressure.

If you want to see more projects you can send me an e-mail or have a look to my web page at [www.leonardotononi.com](http://www.leonardotononi.com)
